W
so
to
are struggling with
the health, and the land is very hot?
It is really hard to achieve the Goals in
these countries.

Giftng Goals is a charity
that is focused on
communities achieving the
Sustainable Development
Goals in one country that is
right where the challenge is
hardest.

Sample pages

In Djibouti less than half the adults can read, many children cannot get to a school after they are 10 and it is important that

Sample pages

With your help we can:

- Give children a safe space to play
- Provide water closer to home
- Build pre-schools to help children access learning earlier
- Create spaces for Muslim children
-
-
-
-
- Use to develop strength, health and community togetherness
- Achieve the Sustainable Development Goals in countries where life is the hardest
- **Enable children to dream just like you do**
